

§ 1599.9

7 CFR Ch. XV (1–12 Edition)

donated commodities from the designated point and time where title to the commodity passes to the participant by contracting directly with suppliers of services, as set forth in the agreement.

(c)(1) If a participant arranges for the packaging or repackaging of donated commodities that are to be distributed, the participant shall ensure that the packaging:

(i) Is plainly labeled in the language of the targeted country;

(ii) Contains the name of the donated commodities;

(iii) Includes a statement indicating that the donated commodities are furnished by the people of the United States of America; and

(iv) Includes a statement indicating that the donated commodities shall not be sold, exchanged or bartered.

(2) If a participant arranges for the reprocessing and repackaging of donated commodities that are to be distributed, the participant shall ensure that the packaging:

(i) Is plainly labeled in the language of the targeted country;

(ii) Contains the name of the reprocessed product;

(iii) Includes a statement indicating that the reprocessed product was made with commodities furnished by the people of the United States of America; and

(iv) Includes a statement indicating that the reprocessed product shall not be sold, exchanged or bartered;

(3) If a participant distributes donated commodities that are not packaged, the participant shall, to the extent practicable, display:

(i) Banners, posters or other media informing the public of the name and source of the donated commodities; and

(ii) A statement that the donated commodities may not be sold, exchanged, or bartered.

(d) A participant shall arrange with the government of the targeted country that all donated commodities to be distributed will be imported and distributed free from all customs, duties, tolls, and taxes. A participant is encouraged to make similar arrangements, where possible, with the government of the country where donated

commodities to be sold or bartered are delivered.

§ 1599.9 Damage to or loss of commodities.

(a) FAS will be responsible for the donated commodities prior to the transfer of title to the commodities to the participant. The participant will be responsible for the donated commodities following the transfer of title to the commodities to the participant. The title will transfer as specified in the agreement.

(b) A participant shall inform FAS, in the manner and within the time period set forth in the agreement, of any damage to or loss of the donated commodities that occurs following the transfer of title to the commodities to the participant. The participant shall take all steps necessary to protect its interests and the interests of FAS with respect to any damage to or loss of the donated commodities that occurs after title has been transferred to the participant. The agreement will specify whether the participant is responsible for obtaining a survey in the event that the donated commodities are damaged or lost following the transfer of title to the commodities to the participant.

(c) If the donated commodities are damaged or lost during the time that they are in the care of the carrier:

(1) And either FAS or the participant engages the services of an independent cargo surveyor, the surveyor will provide to FAS and the participant any report, narrative chronology or other commentary that it prepares;

(2) FAS and the participant will provide to each other the names and addresses of any individuals known to be present at the time of discharge or during the survey who can verify the quantity of damaged or lost commodities;

(3) And the participant engages the services of the surveyor, FAS will reimburse the participant for the reasonable costs, as determined by FAS, of the survey, unless:

(i) The participant was required by the agreement to pay for the survey;

(ii) The survey was a delivery survey and the surveyor did not also prepare a discharge survey; or

Foreign Agricultural Service, USDA

§ 1599.9

(iii) The survey was not conducted contemporaneously with the discharge of the vessel, unless FAS determines that such action was justified under the circumstances;

(4) Any survey obtained by the participant shall, to the extent practicable, be conducted jointly by the surveyor, the participant, and the carrier, and the survey report shall be signed by all parties;

(5) And the damage or loss occurred with respect to a bulk grain shipment, if the agreement provides that the participant is responsible for survey and outturn reports, the participant shall obtain the services of an independent cargo surveyor to:

(i) Observe the discharge of the cargo;

(ii) Report on discharging methods, including scale type, calibrations and any other factor that may affect the accuracy of scale weights, and, if scales are not used, state the reason therefor and describe the actual method used to determine weight;

(iii) Estimate the quantity of cargo, if any, lost during discharge through carrier negligence;

(iv) Advise on the quality of sweepings;

(v) Obtain copies of port or vessel records, if possible, showing the quantity discharged; and

(vi) Notify the participant immediately if the surveyor has reason to believe that the correct quantity was not discharged or if additional services are necessary to protect the cargo; and

(6) And the damage or loss occurred with respect to a container shipment, if the agreement provides that the participant is responsible for survey and outturn reports, the participant shall engage the services of an independent cargo surveyor to list the container numbers and seal numbers shown on the containers, indicate whether the seals were intact at the time the containers were opened, and note whether the containers were in any way damaged.

(d) If the participant has title to the donated commodities, and the value of any damaged donated commodities is in excess of \$1,000, the participant shall immediately arrange for an inspection by a public health official or other

competent authority approved by FAS and provide to FAS a certification by such public health official or other competent authority regarding the exact quantity and condition of the damaged commodities. The value of damaged donated commodities shall be determined on the basis of the commodity acquisition, transportation, and related costs incurred by CCC with respect to such commodities. The participant shall inform FAS of the results of the inspection and indicate whether the damaged commodities are:

(1) Fit for the use authorized in the agreement and, if so, whether there has been a diminution in quality; or

(2) Unfit for the use authorized in the agreement.

(e)(1) If the participant has title to the donated commodities, the participant shall arrange for the recovery of that portion of the donated commodities designated as suitable for the use authorized in the agreement. The participant shall dispose of donated commodities that are unfit for such use in the following order of priority:

(i) Sale for the most appropriate use, *i.e.*, animal feed, fertilizer, industrial use, or another use approved by FAS, at the highest obtainable price;

(ii) Donation to a governmental or charitable organization for use as animal feed or for other non-food use; or

(iii) Destruction of the commodities if they are unfit for any use, in such manner as to prevent their use for any purpose.

(2) The participant shall arrange for all U.S. Government markings to be obliterated or removed before the donated commodities are transferred by sale or donation.

(f) A participant may retain any proceeds generated by the disposal of the donated commodities in accordance with paragraph (e)(1) of this section and shall use the proceeds for expenses related to the disposal of the donated commodities and for activities specified in the agreement.

(g) The participant shall notify FAS immediately and provide detailed information about the actions taken in accordance with paragraph (e) of this section, including the quantities, values and dispositions of commodities determined to be unfit.
